Prof. Dr. Georg Hagmann schreibt in "Degersheim" S. 124

..Schon 1846 folgt Katholisch Degersheim (gemeint ist der Schulhausbau). Das alte Schul- und Messmerhaus wird versetzt und ein neues an gleicher Stelle errichtet.

Anmerkung 43 S. 219:

Das Bauprojekt des Neubaus ist datiert vom Dezember 1844... Das alte steht heute unter Nr. 153 an der Mühle gasse.

Sicher bestand 1763 schon eine Schmitte („Wirthshaus und Schmitte“). Ist das heutige Haus 240 Jahre alt, oder wurde es nach dem Dorfbrand von 1818 wieder aufgebaut?
